About Donations from Waldron Dentistry

With a long history of serving patients in Marietta, we are pleased to have been able to financially support many spiritual centers, civic groups, cancer and health support institutions, and school athletic and extracurricular programs. Due to the flourishing activity of requests, we must select a limited number of groups to sponsor each year. While we love to be a part of our patients' communities, please understand if we are not able to annually contribute to the cause of your choice. Also, please be aware that we do not receive free samples of dental products and must purchase the items that we provide to patients.

For many years, our favorite and most rewarding avenue of community support has been to treat patients with hardship situations free of charge. Most often these patients are identified to us through the Rotary Club of Marietta www.mariettarotary.org, the YWCA of Northwest GA Battered Women's Shelter www.ywca.org, The Center for Family Resources www.thecfr.org, the Cobb Assistance Program www.cobbk12.org, and from referrals from patients, colleagues and our church. We often partner with other local providers to provide other needs that someone down on their luck may have.

If you know someone who is in need of help, or if you would like to make a request for a financial or product donation, print and fill out the appropriate *Donation Request Form* and mail it to us or bring it in next time you are in the office. (Please note there are two separate forms: one for contributions of dental treatment and one for financial contributions or product donations.)

Organizations that we have been pleased to support include:

- Cobb Youth Leadership www.cobbchamber.org
- American Heart Association Heart Ball www.americanheart.org
- American Cancer Society Swordsman's Ball www.cancer.org
- CFR Oscar Night America www.thecfr.org
- Dozens of area schools' athletic and music booster clubs
- The YWCA of Northwest Georgia www.ywca.org
- Community religious organizations' outreach programs
